**Publishing your calendar.** If you want to publish a school calendar, you must ensure that it includes the following note and URL in the footer: **Calendar Templates by Vertex42.com - <https://www.vertex42.com>**.

**Converting the calendar to a PDF.** To publish a school calendar on your website, you should first convert it to a PDF. The best way to do that is to either print to a PDF driver, or in Excel 2010/2013 you can go to Save As and select PDF.

**Background colors.** The background color for the weekends and blank days are controlled using conditional formatting. To edit the color, go to
